

# Peak Performance for Your Snowmobile

## INTERCEPTOR™ Synthetic Two-Cycle Oil From AMSOIL

We've introduced a new, specially formulated synthetic two-stroke oil for two-cycle motors with exhaust power valves. AMSOIL Interceptor contains a "Double Treat" additive system that contains up to 30% more cleaning power, which has proven to provide "No Stick" exhaust power valve performance during extensive field tests. For the ultimate in wear protection and extremely clean operation choose interceptor.

- **Eliminates hard carbon deposits in ring grooves and piston skirts**
- **Effectively prevents ring and exhaust valve sticking**
- **Dramatically reduces wear on cylinders, pistons and bearings**
- **Produces low-smoke/low-odor emissions**
- **Protects against rust**
