

# High Fuel Costs Have Pickup Owners Turning to AMSOIL

With the price of gas these days, AMSOIL is not only better for your pickup, it's better for your wallet.

- *Better Protection for Longer Engine Life*
- *More Efficient Operation*
- *More Horsepower*

Power-enhancing protection when towing heavy loads.

Cleaner air intake for improved efficiency.

Reduced friction for more horsepower and improved fuel economy.

Retrofit kit for optimal performance.

Reduced friction and cleaner operation for smooth shifting, superior protection, and better performance.

**Choose Performance.  
Choose AMSOIL.**
