Find out for yourself why bikers are switching to **AMSOIL**

The most comprehensive motorcycle oil testing in lubricant history, this 28-page Motorcycle Oil White Paper presents:

- The six differences between motorcycle and auto applications.
- The twelve most important product comparison categories.
- 26 motorcycle oils compared.

How do the oils you use stack up against the competition?

Check the Yellow Pages for your nearest Dealer or call 1-800-777-8491. Ask for the White Paper.
