Severe Gear®

Maximum Protection
and Performance

General Lee
Autumn Woods Racing

If it has moving parts, it needs lubrication.
Especially these bad boys.

Torque, speed and extreme punishment. That's the name of the game. That's why more and more enthusiasts are choosing AMSOIL Severe Gear® extreme pressure lubes.

- Limited slip or locking differential compatible.
- Designed to prevent chatter.
- Shear stable for superior viscosity protection.
- Reduces friction and operating temperatures.
- High load carrying capacity.
- Extreme long life performance.

No matter what level you're playing at, you'll want to protect your investment from the inside out with AMSOIL synthetic motor oils, gear lubes, filters and performance products.

AMSOIL has been the leader in synthetic lubrication since 1972.
