

# "We've saved thousands of dollars with AMSOIL."

*AMSOIL means more than just motor oil.*

"We put all the AMSOIL lubricants in our monster truck and it has freed the truck up tremendously. Everything is staying ten to twenty degrees cooler than before. As anyone who's using AMSOIL products already knows, you can't get anything better than AMSOIL."

Dave Turpen,  
Turpen Motorsports

Two-time USHRA World Champion  
Taurus the Bull
