Testimonial

Both racers compete in the leading road race venues in the northeast including Limerock Park, Watkins Glen, Summit Point (main and Shenandoah circuits) and the numerous configurations of Pocono International as scheduled by the EMRA.

Jimmy has been racing all of his life but recently joined this series in 2005. He has had several podium finishes in that short amount of time and hopes to continue improving as a racer.

Phil has been racing for about 20 years and joined this series in 2005 as well. He is a seasoned mechanic and hopes to continue building impressive cars, as well as finish in the top three in the EMRA NEI TT Series.
