Testimonial

Sheri has been racing for two years and races in front of crowds of 500-1,000 fans. She hopes to be more consistent on reaction times and to win a championship in her local area.

AMSOIL Product Testimonial: "The 1964 Ford Fairlane is bumper-to-bumper AMSOIL. Series 2000 20W-50 Racing Oil, 75W-90 Severe Gear Oil, Universal Transmission Fluid, Series 2000 Racing Grease and Slip Lock Differential Additive. It has kept a smoother and cooler running car and a peace of mind that comes along with AMSOIL protection."
