Testimonial

Austin, now seventeen, has been racing for eleven years! He races at the Wavelink Raceway Park and the National Modified Midget Association sanctioned races.

In 2004, Austin was 15th in National points in restrictors. In 2005 he had three A class feature wins and thus far in 2006 he has had three non-wing feature wins.

Products Used: Amsoil 20W50 Motorcycle Oil in the motor, Amsoil Silicon Spray on all ball joints, Heavy Duty Metal Protector on the chain, and Amsoil Racing Grease on wheel bearings. Also, he uses the Heavy Duty Grease in the trailer wheel bearings, Gear Lube in the truck differential, and the 10W30 Oil in the truck motor.
