**Testimonial**

Benji Lorenz, now 19, has been racing for 4 years. He races in the Iowa District 22 Circuit which draws 500-1,000 spectators per event.

In 2006, Benji placed 3rd at the first National event he had raced in and he is hoping to improve that number. His goal is to win the District 22 Championship in Iowa this year and then move to the National Circuit. He is poised to do just that as currently sits in 1st place in Quad A and 2nd place in Quad A Prod.
