AMSOIL Dealer**

Ed Greenwood

Testimonial

2006 is Bill's second year racing in Division 6 NHRA Racing Series and Open Series. In his first season, 2005, he finished 21st out of 120 cars in his division in the Super Street class and 7th in the National Open Series.

In future seasons, Bill would like to be in the top ten or better in his division.

Product Testimonial: "I have used Amsoil in my personal vehicle for several years. When I put Amsoil in my race car, I could tell the difference right away. I had to add time to slow my car to run 10.90 class time. We also use Amsoil in our semi-tow vehicle and it picked up an additional mile per gallon."
