AMSOIL Dealer**

John Maldowan

Testimonial

Cotton, now 15 years old, has been racing since the age of 4!

He races in the CMRC Circuit as well as at Alberta Old Times where he races in front of anywhere between 300 and 700 fans.

Products Used: 10w40 Motorcycle Oil, Filter Oil, Chain Wax and Grease. He believes that Amsoil is a great product and has helped his machines run well with very few repairs.
