Testimonial

Darren has been racing for 9 years and currently races in the NASCAR Nights at Beech Ridge Motor Speedway "Wild Cat" Series.

Darren started drag racing at the New England Drag Way in 1998. In 2000, Darren became part owner and Crew Chief of the #37 at Beech Ridge Motor Speedway. In this position, he helped the team achieve numerous wins and plenty of top fives, 2 top ten in points and top five last year. Darren took over the driver seat of the #37 at the end of 2006 and has been hooked ever since. He hopes to eventually race the Pro Modified touring series.

AMSOIL Product Testimonial: "For years we ran regular gear oil in our rear end. Every winter when we were reworking the car I would have to replace the ring and Pinion. It seemed that all the heat from hard racing would destroy them. About 3 years ago we switched to Amsoil Severe Gear 75W90. I have not had to touch the rear end and they still look like new."
