AMSOIL Dealer**

Rick Weaver

Testimonial

Duane has been racing for nine years. He runs the Lincoln Speedway and Trail Ways Speedway circuits and typically races in front of around 2,500 fans.

In his time racing, Duane has had eleven career wins, has been the winner of opening day at Lincoln Speedway for the past two years, and was the Candy Bowl winner at Susquehanna Speedway in 2005.

Currently, Duane is in second place in points at the highly competitive Lincoln Speedway. Also, he has had one win this season as well as seven top-five finishes and ten top-ten finishes.

Products Used: 20W50 Racing Oil in the motor, 75W90 Severe Gear Lube in the rear differential, Light Shock Therapy Oil for the shocks, Series 2000 Racing Grease in all the balljoints. Duane has found that the oil stays cleaner longer than with the old oil that he was using and the rear is much cleaner and cooler.
