Lee & Sue Mortenson

Testimonial

Bob has been racing for six years. He currently races in the NASCAR Sport Series and in the Pro All Star Series, Sport Division.

In 2005, he finished the Sport Series at 10th in points and he improved in 2006 to finish 9th overall in points.

Bob hopes to continue to progress in this sport and turn it from a hobby into a career. He continues to work and train hard to improve himself as a driver.

AMSOIL Product Testimonial: We have run AMSOIL in our rear ends since starting racing over 7 years ago. Our rear end builder told us that once he puts the fluid in for that year, there is no need to change it unless we develop a leak. Seven years running and no failures--now that is a testimony to greatness.
