Testimonial	<p><b>Hebelers Racing has been running AMSOIL Dominator 2 cycle oil on track and trail for 5 years and love it. Haul vehicles have been running AMSOIL Synthetic 15W30 for the same time. 20,000 miles between oil changes! Fantastic! Our 440MXZ still has good compression, no piston ring changes in 4 race seasons and won 440 class at Haydays this year (2009).</b></p> <p><b>Past Successes:</b>  <b>2008 COSDRA Circuit Harrowsmith Ontario, three 1<sup>st</sup> place finishes; Haydays, MN. 3<sup>rd</sup> place finish; Ohio NY Snowbash, two 1<sup>st</sup> place finishes; COSDRA Holley NY, one 1<sup>st</sup> place finish, Local Shawnee Club Cambria NY, two 1<sup>st</sup> place finishes;</b></p> <p><b>2007 Ohio NY Snowbash, one 1<sup>st</sup> place and three 2<sup>nd</sup> place finishes; COSDRA Holley NY, four 1<sup>st</sup> place finishes, a 2<sup>nd</sup> and a 3<sup>rd</sup>; COSDRA Hastings Michigan, one 1<sup>st</sup> and one 2<sup>nd</sup> place finish; Shawnee Club (local race) Cambria NY, four 1<sup>st</sup> place finishes</b></p>
