The Huettl Racing Team has been racing for five years. The team began with one racer but has grown so there are now three drivers on the team.

In 2005, Robert was fourth at the National Legends Pro-Dirt, second at the North Dakota State Legends Pro-Dirt and had twelve feature wins.

Also in 2005, Glen was the Dacotah Speedway Champion and tenth in National Pro Legends points.

In 2006, Paul was the Rookie of the Year, Legends Semi-Pro Dirt.

Product Testimonial: "Without a doubt, AMSOIL will be the only lube products ever used in our Legends race cars. We have, and will continue to recommend them to all of our fellow racers at every opportunity."
