Kyle races in the Hickory Motor Speedway/Big 8 Late Model Circuit. He recently moved to North Carolina to be in the hub of NASCAR and hopes to be a NASCAR driver some day.

In 2002, Kyle was the Street Stock Rookie of the Year, in 2004 he was the Super Truck Rookie of the Year and in 2005 he was the Fox River Racing Club Rookie of the Year. He has had numerous feature wins in all of the divisions he has raced.

AMSOIL Product Testimonial: "Valu-Pro Motorsports has been using AMSOIL products in all of our race and two vehicles since entering racing. We build our own engines and have not had any failures. When we rebuild our engines, the bearings and cylinders look like the day we put the engine together."
