Norbert Henke

Testimonial

Ryan and Cortney are in their fourth year of racing and typically race in front of 400 to 500 fans! They race in the Tri County Grass Drag Association.

Ryan was second in points in the 2004 and 2005 seasons and Cortney received high points in both those seasons as well.

They both hope to improve their racing and to be able to compete in larger circuits.

Products Used: Dominator 2cyl Racing Oil, Interceptor 2cyl Oil, XL 7500, ATF. They say that their sleds perform great with AMSOIL oil and they both also enjoy wearing AMSOIL clothing items.
