Testimonial

As ProjectV, Mike has been racing for eleven years total: the first eight he raced pro-street and the last three he has been riding the V-Rod.

In his career Mike has been a five-time motorcycle champion of Mokane Dragway. He also holds the track record for a streetbike at Mokane and has claimed victory at many events throughout the years.

Product Testimonial: "We presently use Amsoil oil in our bike which has given us an instant 3 HP increase. We also use the cleaning products which are first class!"
