He is currently the 2007 point leader at Highland Sweedway in Highland, IL. He is also sitting at 2nd in points at Tri-City Speedway in Pontoon Beach, IL.

Rick has been racing for 8 years and would eventually like to make it his full-time career.

Products Used: Rear-end Gear Lube which keeps his rearend cool in quick change situations. He also uses 20-50wt racing oil which keeps in engine in great condition! A recent oil analysis showed that after 8 nights of hard racing, there was no loss of oil viscosity.
