Testimonial

Rick has been racing modified's for three years. He runs on the NASCAR Dodge Weekly Series and is typically viewed by an audience of 3,000.

In the past three years, Rick has had two years where he has been in the top-ten in the pony stock division.

Product Testimonial: "My car is bumper to bumper Amsoil products. There is a noticeable difference in the running and performance along with the protection it gives. Amsoil has saved two engines and a wheel spindle just since I have started using it!"
