The also received the Best Engineered award at the 2004 NHRA Mile High Nationals, Best Appearing Crew award at the 2005 NHRA Division 5 race in Great Bend, KS.

AMSOIL Product Testimonial: We solely run AMSOIL products in both our race vehicle and our tow rigs. We have found less wear in engine, transmission and rear end parts since using AMSOIL. The AMSOIL product is an excellent choice when running ethanol. We get more miles on our tow rig with better fuel economy and we get more runs on our race oil before oil changes.
