

AMSOIL RACING

Co-Op Team

Racer Name	University of New Hampshire Precision Racing	
Hometown	Durham, NH	
Sport	Formula SAE	
Equipment	Open wheel formula style race car	
Sponsoring AMSOIL Dealer	David Consalvo	
Testimonial	<p>The UNH Precision Racing Team uses AMSOIL 10w-40 motorcycle oil to keep their engine reliable during testing and race day. They also use AMSOIL gear lube to keep their LSD from overheating and locking up.</p> <p>They compete in all formula SAE events during competition in 2007 and 2009. Their best finishes were 14th in Design in 2007 and 18th in Cost and Manufacturing in 2008.</p>
