Testimonial

Wichita State University (WSU) Formula SAE Team was started in 1986 and has been competing each year since 1993. The 2008 event at the Michigan International Speedway drew 121 teams from around the world including teams from Australia, Brazil, Finland, Germany, India, the U.S, and more. The WSU Formula SAE team placed 36th overall, first in fuel economy of a four cylinder engine, and third in overall fuel economy.
