Testimonial	<p>Racer Accomplishments: 2007 Spring Sportsman's Challenge 10-12 Year Old Champion, 2006 Drag News Halloween Nationals 10.01-12.89 (ET) Class 3 Champion</p> <p>Racer Comments: "We just put the Dominator 5W-20 to the test. We broke a part on the car, the engine RPMs went to 10,000+ and the single cylinder Briggs held together! We replaced the broken part and made three more passes, getting faster after each pass. The MPHD chain lube really "sticks" to the chain. We used Series 2000 grease on the steering pinion and it is operating smoother."</p>
