AMSOIL European Car Formula Synthetic Motor Oil provides exceptional performance and protection for gasoline and diesel European vehicles. It meets a wide variety of specifications and carries multiple manufacturer approvals. European Car Formula features a broad range of viscosities and different levels of emissions system protection to keep sensitive emissions systems operating efficiently.

AMSOIL, the leader in automotive synthetic lubrication, produced the world's first API-qualified synthetic motor oil in 1972. Trust the extensive experience of AMSOIL, The First in Synthetics® to do the best job protecting your engine.

Complete Coverage
AMSOIL European Car Formula meets and often exceeds strict European manufacturer specifications. Its shear-stable synthetic base oils and high-quality anti-wear additives provide outstanding protection in high-temperature conditions and deliver dependable performance throughout the long drain intervals recommended by European manufacturers.

Emissions System Protection
AMSOIL European Car Formula features precisely balanced formulations that consider the needs of modern exhaust treatment devices. Protecting sensitive emissions systems depends on using the optimal blend of SAPS (sulfated ash, phosphorus and sulfur) to keep these systems functioning properly.

Superior Engine Cleanliness
The excellent oxidation stability, heat resistance and detergency properties of AMSOIL European Car Formula help keep engines clean. It is specifically designed to prevent sludge and varnish deposits, reduce oil consumption, extend engine life and provide maximum performance.

Excellent For Turbochargers
AMSOIL European Car Formula has a robust composition that shields engines from the high temperatures produced by turbochargers. Its thermally stable oil formulation resists deposit formation and cools turbochargers. Its low pour point protects turbochargers against oil starvation in subzero temperatures and ensures a rapid return to appropriate oil pressure at startup.

APPLICATIONS

AMSOIL European Car Formula Synthetic Motor Oil is engineered for use in gasoline or diesel vehicles that require any of the following specifications:

0W-40 (EFO): API SN, SM…; ACEA A3/B3, A3/B4; BMW LL-01; MB 229.1, 229.3, 229.5; Porsche A40; Renault 0700, 0710; VW 502.00, 505.00

5W-40 (EFM): API SN, SM…; ACEA A3/B3, A3/B4; BMW LL-01; GM LL-B-025; Renault 0700, 0710

Manufacturer Approvals:* MB-Approval 229.5; Porsche A40; VW 502.00, 505.00

5W-30 (AEL): API SN; SM…; ACEA C3; BMW LL-04; Porsche C30; GM dexos 2; Chrysler MS-11106

Manufacturer Approvals:* MB 229.51; VW 502.00, 507.00

5W-40 (AFL): API SN, SM, CF…; ACEA C3; Chrysler MS-10850; GM dexos 2; VW 502.00, 505.01; Ford WSS-M2C917-A; Renault 0700, 0710; BMW Longlife-04

Manufacturer Approvals:* MB-Approval 229.51; Porsche A40

SERVICE LIFE

Recommended for the extended drain intervals established by the vehicle manufacturer. Change oil filter at time of oil change.

COMPATIBILITY

AMSOIL European Car Formula Synthetic Motor Oil is compatible with other synthetic and conventional motor oils. Mixing AMSOIL motor oil with other oils, however, will shorten the oil's life expectancy and reduce its performance benefits. AMSOIL does not support extended drain intervals where oils have been mixed.

Aftermarket oil additives are not recommended for use with AMSOIL synthetic motor oils.

AMSOIL PRODUCT WARRANTY

AMSOIL products are backed by a Limited Liability Warranty. For complete information visit www.amsoil.com/warranty.aspx.

HEALTH & SAFETY

This product is not expected to cause health concerns when used for the intended applications and according to the recommendations in the Safety Data Sheet (SDS). An SDS is available via the Internet at www.amsoil.com or upon request at (715) 392-7101. Keep Out of Reach of Children. Recycle used oil and bottle.
