AMSOIL Filter-Change Recommendations

Lube Filters

- **Early**: Always change filter at time of oil change, up to 25,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.
- **Late**: Always change filter at time of oil change, up to 10,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.

AMSOIL Anti Freeze/Coolant Change Recommendations

- **Programa/gear Anti Freeze & Coolant**: Recommended in passenger cars and light trucks for up to 150,000 miles or 5 years, whichever comes first.
- **Heavy-Duty Anti Freeze & Coolant**: Recommended in heavy-duty and off-road applications for up to 50,000 miles, 10,000 hours or 5 years, whichever comes first.

AMSOIL Anti-freeze/Coolant Change Recommendations

- **Heavy-Duty Multi-vehicle Anti-Freeze & Coolant**: Recommended for heavy-duty applications requiring any of the following oils: Conventional Type F, GL-4, Synthetic CVT Fluid (CVT), OE Multi-Vehicle Synthetic Automatic Transmission Fluid (OTF), or Oil Filter Change Recommendations

- **AMSOIL Filter-Change Recommendations**

- **Lube Filters**
- **Late**: Always change filter at time of oil change; up to 25,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.
- **Early**: Always change filter at time of oil change, up to 10,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.

AMSOIL Lube Filters

- **AMSOIL Filter-Change Recommendations**

- **Lube Filters**
- **Late**: Always change filter at time of oil change; up to 10,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.
- **Early**: Always change filter at time of oil change, up to 10,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.

AMSOIL Anti-freeze/Coolant Change Recommendations

- **Programa/gear Anti Freeze & Coolant**: Recommended in passenger cars and light trucks for up to 150,000 miles or 5 years, whichever comes first.
- **Heavy-Duty Anti Freeze & Coolant**: Recommended in heavy-duty and off-road applications for up to 50,000 miles, 10,000 hours or 5 years, whichever comes first.

AMSOIL Anti-freeze/Coolant Change Recommendations

- **Heavy-Duty Multi-vehicle Anti-Freeze & Coolant**: Recommended for heavy-duty applications requiring any of the following oils: Conventional Type F, GL-4, Synthetic CVT Fluid (CVT), OE Multi-Vehicle Synthetic Automatic Transmission Fluid (OTF), or Oil Filter Change Recommendations

- **AMSOIL Filter-Change Recommendations**

- **Lube Filters**
- **Late**: Always change filter at time of oil change; up to 25,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.
- **Early**: Always change filter at time of oil change, up to 10,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.

AMSOIL Anti-freeze/Coolant Change Recommendations

- **Programa/gear Anti Freeze & Coolant**: Recommended in passenger cars and light trucks for up to 150,000 miles or 5 years, whichever comes first.
- **Heavy-Duty Anti Freeze & Coolant**: Recommended in heavy-duty and off-road applications for up to 50,000 miles, 10,000 hours or 5 years, whichever comes first.

AMSOIL Anti-freeze/Coolant Change Recommendations

- **Heavy-Duty Multi-vehicle Anti-Freeze & Coolant**: Recommended for heavy-duty applications requiring any of the following oils: Conventional Type F, GL-4, Synthetic CVT Fluid (CVT), OE Multi-Vehicle Synthetic Automatic Transmission Fluid (OTF), or Oil Filter Change Recommendations

- **AMSOIL Filter-Change Recommendations**

- **Lube Filters**
- **Late**: Always change filter at time of oil change; up to 25,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.
- **Early**: Always change filter at time of oil change, up to 10,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.

AMSOIL Filter-Change Recommendations

- **Late**: Always change filter at time of oil change; up to 25,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.
- **Early**: Always change filter at time of oil change, up to 10,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.

AMSOIL Filter-Change Recommendations

- **Late**: Always change filter at time of oil change; up to 25,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.
- **Early**: Always change filter at time of oil change, up to 10,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.

AMSOIL Filter-Change Recommendations

- **Late**: Always change filter at time of oil change; up to 25,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.
- **Early**: Always change filter at time of oil change, up to 10,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.

AMSOIL Filter-Change Recommendations

- **Late**: Always change filter at time of oil change; up to 25,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.
- **Early**: Always change filter at time of oil change, up to 10,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.

AMSOIL Filter-Change Recommendations

- **Late**: Always change filter at time of oil change; up to 25,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.
- **Early**: Always change filter at time of oil change, up to 10,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.

AMSOIL Filter-Change Recommendations

- **Late**: Always change filter at time of oil change; up to 25,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.
- **Early**: Always change filter at time of oil change, up to 10,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.

AMSOIL Filter-Change Recommendations

- **Late**: Always change filter at time of oil change; up to 25,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.
- **Early**: Always change filter at time of oil change, up to 10,000 miles or one year, whichever comes first, when used in conjunction with AMSOIL synthetic motor oil in normal and severe service.
### Vehicles Prone to Sludge

The engines identified in the following chart have been reported to be prone to sludge. The use of AMSOIL synthetic motor oils at regular drain intervals will help prevent sludging and protect these engines. Note that this list is not exhaustive and some engines may have been excluded due to proprietary information at the time of publication.

#### Vehicles Prone to Sludge

- **Lexus*/Toyota (4)
- **Chrysler*/Dodge* (3)
- **Audi/Volkswagen** (2)
- **Audi*/Volkswagen* (1)
- **Volkswagen* (1)
- **Volvo* (1)
- **BMW* (1)
- **Mercedes-Benz* (1)
- **Land Rover* (1)

### Application Description and Examples

**Note:** Extended drain recommendations are based on vehicles following AMSOIL-recommended filter service intervals. See oil-filter recommendation on next panel. - Engines operating under modified conditions (non-stock) are excluded from extended drain recommendations.

### Normal Service

- **Up to 25,000 miles, 700 hours of operation or 1 year.**

### Diesel Engine Severe Service

- **Normal:**
  - Eight years/unlimited mileage
- **Severe:**
  - Eight years/unlimited mileage

### Synthetic Motor Oil Maximum Recommended Drain Intervals

- **Normal & Severe:**
  - Up to 25,000 miles, 700 hours of operation or 1 year.
- **Normal:**
  - Eight years/unlimited mileage
- **Severe:**
  - Eight years/unlimited mileage

### Applications

1. **Formulated to maximize fuel efficiency.**
2. **Consider application and viscosity needs.**
3. **Where engines are modified, the vehicle owner assumes responsibility for any engine damage.**
4. **AMSOIL recommends repairing malfunctioning engines prior to installation of AMSOIL synthetic motor oils.**
5. **AMSOIL recommends purchasing-bid appropriate filters.**
6. **API licensed to meet the viscosity and high-performance requirements commonly found in owner's manuals.**
7. **Priced appropriately, primary chaincases.**
8. **Long life.**
9. **Reduces friction, heat generation, and wear.**
10. **Excels in extreme temperature and performance applications.**

### Off-Road Equipment

- **AMSOIL Synthetic Motor Oil Maximum Recommended Drain Intervals**
- **Normal:**
  - Eight years/unlimited mileage
- **Severe:**
  - Eight years/unlimited mileage

### Synthetic Racing Oils

1. **AMSOIL DOMINATOR® Synthetic Racing Oil (RD50 5W-20), (RD30 5W-20):**
   - Best-performing product for racing engines.
2. **AMSOIL DOMINATOR® Synthetic Racing Oil (RD20 5W-20), (RD30 5W-20):**
   - Best-performing product for racing engines.
3. **AMSOIL DOMINATOR® Synthetic Racing Oil (RD50 5W-20), (RD30 5W-20):**
   - Best-performing product for racing engines.

### Synthetic Marine Oils

1. **AMSOIL Synthetic Marine Oil (W 10W-30), (W 10W-40):**
   - Best-performing product for marine engines.
2. **AMSOIL Synthetic Marine Oil (W 10W-30), (W 10W-40):**
   - Best-performing product for marine engines.
3. **AMSOIL Synthetic Marine Oil (W 10W-30), (W 10W-40):**
   - Best-performing product for marine engines.
