

CHOSE

Out of all the lubricant manufacturers in the world, **BRIGGS & STRATTON*** CHOSE **AMSOIL** to formulate the motor oil it recommends in its highest-performing kart, junior drag, quarter midget and other racing engines.

Available exclusively from AMSOIL.

Performance | Wear Protection | Rust & Corrosion Resistance | Deposit Control

For the same reasons Briggs & Stratton, the largest manufacturer of small engines in the world, chose AMSOIL, you should choose AMSOIL two- and four-stroke synthetic motor oils to protect your equipment.
